# KIDZ CAMP

ESSEX

## Drop Off

### Registration and Check In

Drop off begins at 7:30am and runs until 9:30am, with breakfast being served until 8:30am.

Once you have signed your child in you will need to choose their sandwich filling (if they are having a standard camp lunch). Please also ensure any medication is given to the Camp staff at this time also.

This is also an opportunity to give in any money for the tuck shop (information of which can be found in this guide) to be kept safe by the venue manager who will write down your child's name and ensure they are called to the tuck shop later in the day.

Once your child is signed in the staff will collect them from the drop off area and take them to their base area for the day where they will meet their camp staff.

## Collection

### Collection Times & Security

Collection for the standard day session is from 3:30pm-4:30pm with the late session extending until 6pm which must be booked in advance.

When arriving to collect your child please give the manager your child's name and the Camp Staff will bring them to the collection area. Management may ask for some details to confirm your identity before releasing the child i.e. your first name or collection password.

If someone else is going to be collecting your child please ensure you have added them to the collectors on your account and that they are aware of the collection password.

Please avoid dropping off or collecting your child between the hours of 9:30am-3:30pm as all staff will be busy engaging the children in activities. If you need to do so please arrange this with the camp manager.

### Unable to attend?

If you are unable to attend please amend or cancel your booked days via your account.

For credit to be applied you must provide 48 hours notice of your absence. Where this is not possible such as illness on the day of your booking, please contact a member of the venue or office team.

## First Aid

### First Aid & Mediation

Every Venue Manager is Paediatric First Aid and Autoinjector trained. With many of our camp staff holding other first aid qualifications. This means there is always someone first aid trained on hand to look after your child if they are unwell or injured.

Prescribed medication must be handed to the venue manager at the beginning of the day and you must have completed the medication form on your child's account. The manager will then administer the medication at your specified time and notify you of this on collection.

## EYFS

### Your Child's keyworker

As part of our OFSTED registration we have a strong focus on the Early Years Foundation Stage (EYFS).

Your child's keyworker's for the day will be the 2 staff members assigned to their group. The EYFS children in the group will be paid special attention throughout the day to ensure they are safe, happy and having fun!

When delivering activities our staff will be using the 7 Early Learning Goals to ensure activities promote development, engage and excite our 4 and 5 year olds.

## Nut Policy

### Our Policy on Nuts

Kidz Camp Essex has a strict no nuts policy, meaning no products that contain, may contain or have traces of nuts are permitted to be consumed within our venues.

Please ensure anything homemade or not in it's original packaging has an ingredients list clearly attached.

Anything that is found to have traces of nuts will not be able to be consumed at the venue but will be given back to the child to take home with them.

## Lunches

### Camp Lunches

Children attending camp have the option of bringing a packed lunch, purchasing a premium lunch or having the free camp lunch. The free camp lunch includes a sandwich with cheese, jam or ham- which you will select at drop off, crisps, raisins and a biscuit.
